

WA Health Professions Career Pathways

How do you have your say?

Purpose of project

- ▶ Review the career pathways used in the WA Health system for health professionals to support allied health recruitment and retention
- ▶ Assist in the development of contemporary clinical practices and new models of care

Overview of project

- ▶ Review and evaluate the WA health system's career pathways for health professionals, focussing on classifications P2 and above, with regard to the qualifications, skills, experience and responsibility of those health professionals
- ▶ Compare the WA health system's health professional workforce to other jurisdictions in Australia, from both a metropolitan and country health perspective
- ▶ Consider the size, composition, and geographical distribution of the WA health system health professional workforce
- ▶ Make recommendations which:
 - ▶ support the retention of a skilled health professional workforce; and
 - ▶ align with WA health system workforce priorities to enhance clinical practice and support new models of care and Recommendations 23-27 of the Sustainable Health Review Final Report.

Help! I can't see any focus groups

If you can't see any events, you may be on The Allied Health Academy home screen. To navigate to the WA Health Careers Pathways page, please click on the link in the left-hand column (see highlight below):

The screenshot shows the user interface of The Allied Health Academy. At the top is a green header with the logo and a search bar. Below the header is a left-hand navigation menu with several categories: Events, Members, Discovery, The Academy, Welcome, Feed, Job Board, Global Advanced Practice Coll, Advanced Practice (with a 'SEE MORE' link), Global Workforce Leaders Coll, Workforce Leaders Forum, and Private Collectives. The 'WA Health Career Pathways' link is highlighted in yellow, with a 'More Activity' button below it. The main content area is titled 'Feed' and shows a 'Featured' section with a 'Develop Your Allied Health Workforce Plan in 90 Days: Intro Webinar' event. The event details include the date 'OCT 11', a '*NEW*' badge, and a 'Zoom' link. Below the event is a 'Premium' badge and the profile of Susan Nancarrow, Host, CEO HWI. The event title is 'Allied health credentialing, competency and capability frameworks'.
